Slim Dignity (Wall) Dispenser

Introducing our Slim Dignity Dispenser – the same trusted design as our original Australian-made Dignity Dispensers, now in a more compact form. This smaller version is perfect for spaces where every centimetre counts, while still offering the same dignified, easy access to period care. Sleek, sturdy, and space-saving, it fits seamlessly into a wide range of settings without compromising on functionality or style.

Our non-powered Dignity Dispensers are compact and designed for easy, dignified, access to period care in any space.

Holds 18 mixed period packs or pad-only packs containing either 2 pads & 6 tampons, or 3 pads. (Items individually wrapped.)

The 1800 RESPECT number is also included on the period packs to ensure the recipients have the contact details on them.

Ensuring that everyone is afforded the dignity in life that so many of us take for granted.
