

Our Dignity Vending Machine® and Dignity Dispensers offer an easily scalable way to show your commitment to menstrual equity by providing free period products in your organisation. All proceeds from sales directly contribute to better health outcomes for women, girls and those who menstruate by ensuring they can manage their period with dignity, especially those experiencing period poverty.

Dignity Vending Machine®

A Dignity Vending Machine® from Share the Dignity provides free and dignified access to period products at the push of a button. They showcase a clean, minimal design with their purpose front and centre: providing free period products to those who need them. The benefit of time delay dispense, remote reporting and support (telemetry) will assist you in optimising the location and/or awareness of your machine to get the greatest benefit for your community, employees and/or patrons.
