Workplace Giving with Share the Dignity

Workplace giving is one of the simplest, most powerful ways your business and employees can help end period poverty in Australia. Through small, regular pre-tax donations, your team can make a lasting impact on the lives of women, girls, and those who menstruate who are experiencing homelessness, fleeing domestic violence, or doing it tough.

Why partner with Share the Dignity?

We work to ensure everyone has access to the basic dignity of period products when they need them most. Your support helps fund our core initiatives:

Dignity Drives

delivering thousands of period products nationwide.

It's in the Bag

providing essential items to women and girls in need.

Dignity Vending Machines

providing free pads and tampons in schools, workplaces and communities.

Advocacy

for national change on period equity and menstrual health.
