Workplace Giving with Share the Dignity

Workplace giving is one of the simplest, most powerful ways you can help end period poverty in Australia. Through small, regular pre-tax donations, you can make a lasting impact on the lives of women, girls, and those who menstruate who are experiencing homelessness, fleeing domestic violence, or doing it tough.

Make a difference with Share the Dignity

We work to ensure everyone has access to the basic dignity of period products when they need them most. Your support helps fund our core initiatives:

Dignity Drives

delivering thousands of period products nationwide.

It's in the Bag

providing essential items to women and girls in need.

Dignity Vending Machines

providing free pads and tampons in schools, workplaces and communities.

Advocacy

for national change on period equity and menstrual health.

Make the most of your impact:

WHAT'S INCLUDED

- Simple & tax-effective: Donations come directly from your pre-tax pay
- The opportunity for your employer to amplify your impact through matched giving
- Volunteering opportunities to celebrate your impact
- Tangible results: See the real-world difference your workplace makes

How to get started:

MAKE A WORKPLACE GIVING DEDUCTION REQUEST

To set up workplace giving, simply grab a form from your payroll department and choose the amount you would like to donate. Here are some examples of how your generosity can make an impact for women, girls and those who menstruate over a year:

\$2

a fortnight will help provide someone with period products each month.

\$5

a fortnight will help provide an *It's in the Bag* for a woman or girl in need.

\$10

a fortnight will help provide an *It's in the Bag* for a new mum and her bub.

\$25

a fortnight will help provide a reusable period product each month.

Give the gift of dignity through workplace giving.
