## Foster team bonding whilst directly impacting the lives of individuals facing adversity.

In a country where almost one million people are living in severe income poverty, ensuring access to basic essentials for the most vulnerable among us is a significant undertaking. With the support of corporate volunteers, we can pack more bags, reach more charities, and provide much-needed period products and essential hygiene items to those who need them most.

Join us in creating a team bonding experience that directly impacts vulnerable girls, women, and people who menstruate in your local community. It's more than just donating; it's about creating meaningful engagement between your team members and the cause they're supporting.

## Requirements

Please ensure your chosen venue has capacity for removing rubbish/recycling, accepting deliveries/storing product, and access to a loading dock. Bags will be stored on plain pallets.

In addition to the essential items, thoughtful extras such as self-care items, stationery, jewellery or hair products can be included by your organisation. Please ensure that the item/s meet the necessary guidelines.

**We require a minimum of two weeks' notice** before the event to order stock. Please note that the stock will need to be stored at your premises before and after the event for a short period before being transported.
