

Corporate Volunteering Notewriting Workshop

Foster team bonding whilst directly impacting the lives of individuals facing adversity.

In a country where almost one million people are living in severe income poverty, ensuring access to basic essentials for the most vulnerable among us is a significant undertaking. With the support of corporate volunteers, we can pack more bags, reach more charities, and provide much-needed period products and essential hygiene items to those who need them most.

Join us in creating a team bonding experience that directly impacts vulnerable girls, women, and people who menstruate in your local community. It's more than just donating; it's about creating meaningful engagement between your team members and the cause they're supporting.

About *It's in the Bag*

Our founder Rochelle came up with the idea for It's in the Bag when cleaning out her bathroom cupboard. She popped all of her unwanted items into an old bag and donated it to a local charity. What started as a little idea has today grown to one of Australia's most loved Christmas giving appeals.

By participating in Share the Dignity's corporate packing events, companies can make a significant positive impact on the community while fostering a culture of empathy and social responsibility within their organization.

Notewriting is a thoughtful component of this campaign, where personal notes are included in the bags to provide encouragement and support to the recipients. By facilitating a notewriting workshop at your workplace you will provide women and girls:

- **Emotional Support:** The notes aim to provide emotional support and uplift the spirits of women and girls who receive the bags.
- **Personal Connection:** They create a personal connection, showing that someone cares and is thinking of them.
- **Positive Messages:** The notes often contain positive and empowering messages to inspire confidence and hope.

Notewriting for the "It's in the Bag" campaign is a simple yet powerful way to make a positive impact on the lives of women and girls in need, providing them with not just physical essentials but also emotional support.

Send your notes of support to our QLD office once completed so we may distribute these into our bags prior to delivery to charity partners.
