Slim Dignity (Wall) Dispenser

Introducing our Slim Dignity Dispenser – the same trusted design as our original Australian-made Dignity Dispensers, now in a more compact form. This smaller version is perfect for spaces where every centimetre counts, while still offering the same dignified, easy access to period care. Sleek, sturdy, and space-saving, it fits seamlessly into a wide range of settings without compromising on functionality or style.

Dignity Dispensers are small and compact, and don't need to be connected to power - perfect for fitting in small bathrooms.

Holds at least 18 period packs containing 2 pads and 6 tampons individually wrapped (108 period products).

The 1800 RESPECT number is also included on the period packs to ensure the recipients have the contact details on them.

Ensuring that everyone is afforded the dignity in life that so many of us take for granted.
